

Northerns: Final Sections Results + State Qualifiers

Please contact krunkle@cookcountymca.org for PDF copies of the results or the link to our new results page.

Hello Northerns Families!

Please see attached Sections results and State psych sheet.

When using the state psych sheet to determine if a swimmer has qualified, swimmers that are listed with no marking to the right of their time have qualified for state. Swimmers who have 'Alt' next to their time did not qualify for state, but may qualify in the event a qualifier is unable to attend. Alternates are taken in order from top to bottom starting with the fastest swimmer who has not yet qualified. Please be sure to check all relays your swimmer participated in as well as all individual events. Emails will be sent to families with swimmers that qualified today with the final declarations due by **Midnight on Friday, February 7th**. If you believe your swimmer qualified, but have not received the declaration link by 5 PM Today (Thursday, Feb 6th), please let us know by emailing ymcanortherns@duluthymca.org and krunkle@cookcountymca.org.

For more information about State, please visit this year's [state swim meet page](#) on the [Minnesota YMCA Competitive Swim League](#) page.

For a list of all results from all meets this season, please check out our new results page.

Please let us know if you have any questions.
